### **REQUESTS FOR ADMISSION**

#### **REQUEST NO. 1:**

Admit that YOU authored or co-authored the following statement:

Here is her single's profile in Taiwan. She calls herself Christy Baby 96. Nasty, she uses the same name handle she used to post videos of her kid on YouTube.

[http://www.igonet.com.tw/article\\_view.php?pid=321](http://www.igonet.com.tw/article_view.php?pid=321)

Apparently she not only messed up that other lady's marriage, she was also the mistress of her last husband.

His ex-wife openly trashes her in the Taiwanese business community telling everyone it is because of her they ended up divorcing. She however has the last laugh because her husband hands of her old cast off homes for that whore to live at. There is a reason why she doesn't have a digital footprint. It's because she never owned anything in her life. It was all homes of the men she had sex with for money, a roof over her head, and

material goods... In other words a hooker.

What is there to say other than what is said here :

Christine Yang of California

She sometimes goes by this name now. She still has sex with her last ex-husband for money and she still preys on married men and unsuspecting young engineers, for freebies. Not only does she have a fake face and body, she is mean hearted as well. I also heard about the rumors she made up about the ex-husband's poor ex-wife in Taiwanese circles. In fact Christine gets so excited when she is making fun of her female friends in Taiwan and looking down her nose at how poor life style they are living compared to her materialistic one. Because you know it is all a show. She watches Facebook like a hawk and any new trends in materialistic goods, she tries

to follow. If she can't get a man to buy it for her she pretends. Just look at the Van Cleefe jewelry pictures lol, she is at the store. She is so short too! Apparently doing plastic surgery is not fake enough for her. She uses iphone apps to make herself look abnormally tall and thin, she is actually about 160 cm.

Christine Yang, I saw that a few times how she changed both her FB account and her IG into Annie Chang for a while. What a slut. I just read all those things about her on.

<https://cheatersandbastards.com/christine-yang-of-california/>

I also saw all the names and stuff she goes by : tinetine96, tinetine\_96, cbaby96, cbaby\_96, annie.chang I'm a part of the Taiwanese community here in the bay area and I've seen her around. She definitely puts up a good act around people, pretending to be so sweet and delicate with her high pitched mousy voice. When in reality she does

nothing but, manipulate people, her social media sites, and her selfies so look good and of course get money.

I hope someone tell that slut's exhusband's last wife, that this whore is going around making rumors about her. This girl is such a horrid sack of crap, not for just sleeping around for money, but how she talks behind the back of all her supposed girlfriends and will even make up rumors about people so she can have a laugh. Oh and she's so gross, the other day I saw some pictures of her and cold sores on her mouth. I guess all that sucking old men's you know what, gave her some STDs. Nasty nasty, all I can say to all of this is

Karma, Karma, Karma, and we all know how Karma is!

Michelle

005613170 is the correct person you are referring to. Her blog indicated about being the face of a real estate company, I strongly advise you reconsider. She is a public disgrace and will openly target and humiliate other women, for the sake of feeling superior. She is mentally sick, and in love with herself in vain. But will act extremely sentimental, with her mousy voice, to get what she wants. Once she targets

one person, will suck all the blood out, drain everything possible, then hunt for the next one. She is un-educated, and notorious in the Chinese community.

She has had plastic surgery paid for by her men and every thing she owns down to her underwear... all paid for by having sex with men. She has no education and while dating one man will keep others on the tab for money.

Her and all of her friends from Taiwan are cut from the same cloth. They hate each other, but will hang around each other in order to be "introduced"; to other men. This is done by inviting them to business dinners, boy friend's or husbands friend get together, you get the picture.

Has been divorced at least 2 times, possibly 3, all to very old men. Was known to be the last husband's mistress and ruined a marriage of over 25 years. (While married in November of 2014 to last husband, she promptly continued to have sex with other single and married men.)

She has already been ousted in very very RICH old men, old world, Taiwanese Business communities in both Bay Area and Taipei as being an uneducated gold digger.

Current target are engineers in Silicon Valley, these girls know the socially awkward, generally world clueless men both married and single have money, but will go crazy over a little attention from a hot little Asian Girl.

**REQUEST NO. 35:**

Admit that YOU authored or co-authored the following statement:

She has never held a job in her life, but she tells people she is a real estate agent. When in fact she is also the mistress of one. He pays her \$5000/ month to be his whore and she uses that as cache as a "job". He was also a part of the circle of rich Taiwanese business men that her ex-husbands were a part of, in fact they all probably know of each other. Not only does she have her toes dipped in the old man money pool, she is also part of a circle of gold diggers and gigolos. In fact unknown to her last ex-husband's ex-wife, she had her closest gigolo friend spread rumors about her

that she paid for sex.

Not only is she fake on the outside with all her sad plastic surgery, she is fake on the inside. She will lie through her teeth and enjoy the demise of the poor women she destroyed for her disgusting pleasure.

She will tell men, she mostly has men friends cause women are too jealous of her, but in fact most of these male friends where either men who paid for her to have sex with them or part of that gigolo click. Also, on her Face Book, men do not realize that she will play around with the public facing and private tab. So while the boyfriend or lover of the season may think she is posting to the world that they are a couple. In secret if she is trolling for a new man, she will hide the public facing side of the "couple" pics.

She also lies about "buying" a new home, when in fact the homes are usually places she is put up by men. For instance, the last town home she lived in was actually owned by her ex-husband. His first wife was also name Christine and he had many home purchased around the bay area with her name. So when she moved from his mansion in San Jose and downgraded into one of his town homes in Fremont, she ripped off a picture from Redfine of a home that was purchased in her neighborhood and then posted it and told her lovers she just purchased a home.

This is also the case after she was kicked out of that town home and was moved to somewhere in probably Newark. She posted a fake picture of having purchased a home there as well. Sad... just sad.

Her "motherly" images with her daughter is only for show. She never really cooked with her daughter until maybe a few years ago, as was blatantly obvious in the Thanksgivings pic. in 2016, with all the NEW products, and the idiot even said, Oh not bad for first time making pie.

For the most part her version of mothering, was having the men she sleeps with pay for lavish vacations for her daughter, or to buy her daughter expensive outfits from Burberry with the money gained by sleeping with men. (great role model)

Originality is definitely not her forte. Most of her picture poses are copied from either her friends, or people she follows online. She is also actually quite short, she uses the App Cymera, to stretch her legs out and give herself extra nip and tucks to look perfect.

Her sad attempts at interior design, from the pathetic flowers, cliché prints of books, to the luxury products she covets, and the really bad non-original drawings she does, all copied off of other Instagram and Face Book accounts.

So to sum it all up, there is a reason why a supposed "perfect" beautiful woman can't keep a man. It is like putting lipstick

on a pig, no matter how you shellac a rotten facade, it is still a rotten facade, sad and empty. There is just nothing inside.

She tries desperately to sound educated by regurgitating things she hears on TV or online, but has no actual thought of her own and its quite boring. Her lack of any sort of normal skill such as cooking, much less holding a normal conversation that doesn't involve sex, FaceBook, shopping, or gossip.

Admit that YOU published the following statement on the website and webpage <<https://cheatersandbastards.com/christine-yang-of-california/>>:

She has never held a job in her life, but she tells people she is a real estate agent. When in fact she is also the

mistress of one. He pays her \$5000/ month to be his whore and she uses that as cache as a "job". He was also a part of the circle of rich Taiwanese business men that her ex-husbands were a part of, in fact they all probably know of each other. Not only does she have her toes dipped in the old man money pool, she is also part of a circle of gold diggers and gigolos. In fact unknown to her last ex-husband's ex-wife, she had her closest gigolo friend spread rumors about her that she paid for sex.

Not only is she fake on the outside with all her sad plastic surgery, she is fake on the inside. She will lie through her teeth and enjoy the demise of the poor women she destroyed for her disgusting pleasure.

She will tell men, she mostly has men friends cause women are too jealous of her, but in fact most of these male friends where either men who paid for her to have sex with them or part of that gigolo click. Also, on her Face Book, men do not realize that she will play around with the public facing and private tab. So while the boyfriend or lover of the season may think she is posting to the world that they are a couple. In secret if she is trolling for a new man, she will hide the public facing side of the "couple" pics.

She also lies about "buying" a new home, when in fact the homes are usually places she is put up by men. For instance,

the last town home she lived in was actually owned by her ex-husband. His first wife was also name Christine and he had many home purchased around the bay area with her name. So when she moved from his mansion in San Jose and downgraded into one of his town homes in Fremont, she ripped off a picture from Redfine of a home that was purchased in her neighborhood and then posted it and told her lovers she just purchased a home.

Yes, I know what you mean. I friends with some men that she is "friends" with. She tries to talk them into taking her to where ever she wants to go. The man will think he is thinking of taking her to Taiwan Las Vegas, or Hawaii, but truth is she looks at her social media and finds out where is best to go and then ask a lot of different men until one of them will take her.

Any time she post a trip, new bag, shoes, or makeup which wow, did you see her new post? Probably over \$8000 worth of La Mar, Sissley, and Cle de peau?

This is not normal buying pattern. Normal people buy 1 or 2 things at a time. When she buys it is a lot of the same thing like when she got those butterfly shoes or a whole line of \$1000 a piece makeup. Which only shows she obviously must have had a man buy her a bunch of stuff in exchange for sex. She is so stupid, she thinks she is showing a beautiful life for other women to envy, but all that she show is that she must opened her legs to another rich old man. The other thing is it is obvious she is now worried about aging.

LOL her sh it will age too and she will not be able to have rich old men buy her things any more. What a sad sad empty life. Already in her 30's and nothing to show her daughter, but all the things she got for having sex.

And oh lady is right. Her last ex-husband did post pictures of them on a trip last year. (Boyfriend may not know or the boyfriend can be old pictures she repost to pretend she is in normal relationship.) The last husband did pay for her body so he still offers her money, trips, shopping spree, and dinners at expensive restraunts when he wants sex with her. She is his back door hooker.

This is so very funny. I hadn't checked on this since I

replied to post, but yes it does seem like many people know of this disgusting whore.

I find it funny someone ask what she does for work on that Chinese chat site and on her recent post with her sad drawing of some living room she hash tag it "enjoymywork". I almost died laughing. Obviously she is reading all this talk about her.

We all know her "enjoymywork" is having sex for money. Of course she does. She can not possibly think copying some interior image from a magazine is actually what an interior designer does? Or putting silly little tiffany boxes all around the house, or sad photos of books on the walls equals interior design.

Hey idiot, if you are reading this, interior designing actually requires skills, such as an actual sense of creativity that doesn't involve ripping off people online, CAD, actual design programs, understanding codes and regulations, actually understanding how to solve problems, and first and fore most actual WORK that doesn't involve opening up your legs and mouth for money. Something you could have found out after a few minutes of looking things up on the internet, but oh... but that isn't something your tiny little brain can comprehend can it? Nah your delicate little fingers can only do things like post selfies and troll other

people for ideas on how to life a "beautifullife" haha.

What a colossal moron, the other thing that makes me laugh is her sketching skills. I find it very apropros that she chose herself as the first subject of her drawing. Take narcissism to a new height. And god... really? The marker work and the shading style, yet again ripped off from people online.

Sad just sad... give it up empty little silicone girl. Just go back to posting half naked pictures of your silicone tits, your redone face, and your materialistic travel, purses, and jewlerly you get from the men you do for money, and call it a day. Why try to pretend to be able to do anything else? Its just laughable!

Good question... but I have an inkling that it has to do with her picking very, in a weird way, clueless men who have not really messed around before. Plus she probably has a decade

supply of Taiwanese condoms from her last husband lol.

Anyways initially she thought only old men had money, so would target them. She has been the mistress of many in a crew that her first husband hung around with in the Bay area. They are all a part of social groups on FB as well as general Taiwanese Business Men with money social groups, you can get an idea if you look at all the groups she is involved in on FB.

She snagged the second husband and the long term previous boyfriend from hanging around those groups. Then her HO...ific friends told her to try stupid white engineer boys in the Silicon Valley cause they will go crazy over any Asian girl, plus many of them probably didn't have girlfriends before, and she said she tried some and she just wasn't into them, but it gave her the idea to start hitting up Asian American's who never had a girl hit on them before.

So from married to single, she just doesn't give a shit, she pretty much does any guy who will give her things, even while being in a "relationship" long term with another guy. She's good at pretending to be all innocent and sweet to any guy she is currently with, but that act can only go so far. Generally guys get sick of her within 3 yrs. at the max, cause one can only "ACT" for so long.

And let's face it divorced 2x's and with each husband loads of plastic surgery? Ha this poor idiot she is doing now... if

that really is an engagement ring he gave her.... yeah it looks like she is trying to hide the fact that the ring is worn at a Store and the only thing she got from there is that silly Cartier bracelet that ALL the Chinese girls are wearing... yeah sooo original.

Anyways she&#x2019;ll probably get a few more cosmetic enhancements (she's definitely not looking fresh any more) while with the next guy, get all that she can, and when she senses he isn't into her, will start screwing other men again to make sure someone will carry her while she gets what she can from the divorce procedures.

She's pretty calculating like that. She also has sex with men in power positions to help her with her legal stuff and feigns innocence during everything.

Actually the point is, she spends other people's money namely the guy she is doing at the moment. Also in general, when the said guy doesn't take her on trips, she reposts old photos. Haha she started doing that on IG a few years back. All her ho pics with her Billionar ex-husband, and some guy called her on it and asked why she was reposting old pics. Uhg, I just saw that blog, she is so original isn't she? One thing is for sure, she, herself, and herself is that most important thing in her life hahahaha.

She is. I used to be friends with her until I found out crap she was talking about me behind my back. She was all excited when was juggling her ex-husband, another married man, an old relator (who she pretended to work for), a Korean guy who was younger than her that owned one of the bars here in the Bay Area, and the current fiance. What the guy she's doing right now doesn't know is, that 1st Valentines date they went on to Coi was actually a place she went to with her ex-husband the year before and their first trip to Las Vegas and Taiwan was because a couple of the other guys she was trying to get to take her wouldn't. Usually girls tie strong memories with places they've been with people, but haha Halfmoon Bay was her honeymoon place with her ex! And she slept with another guy there and visited again recently with someone she supposedly loves?!

Michelle, what is there not to be able to use? One can just look at her FaceBook feed and see she is at the very least a narcissist, if not the disgusting whore that she is known to be around the Bay Area, and although she may have cleaned it up recently, she always posted loads of pictures of herself around the Bay Area in 5 Star Hotels. What do you think that means? I see on her new blog she posted she has a job opportunity and I am assuming that may be your company. All I am going to say is there are too many people in the Bay Area and in many circles that know of this whore. She was the mistress of many men and as she likes to say gained Financial Freedom. How do you assume this was gained when the girl barely ever worked in her 30 something years of life with no real education and not much a her own credit history?

I think you know the answer to any burning questions you may have by just looking at her social media handle (cbaby), her accounts, and the quality of her followers. So knowing all of this, it is really up to your company whether you will be ok with a known gold digger to represent your company. Despite having a new fiance, who is to say she may not use your platform in order to find new monetary prospects? She is a disgusting display of humanity that has no empathy for other people when it comes to her own pleasure and materialistic

needs. Know this and make your decision.

This girl named Christine Yang, also known as Christine Hu is a piece of Taiwanese garbage. She is roughly around 36 and

has married 2 men both close to if not over 20 yrs. her senior. She has never worked a day of her life except the oldest on in the book. (facebook.com/christine.yang.739) Money is her objective so when the first husband was about to call it quits, she got pregnant. Didn't matter, she was such a terrible mother she never got custody of her. Meanwhile she found her next target, a cross-dressing bisexual. He paid for her lifestyle so she put a blind eye to his BS, for 4 years, until she found a super rich old business tycoon from Taipei. She married his old saggy butt for the gifts and expensive trips he takes her on ( which is what she tells younger men she has sex with). While married.. or possibly still married to that guy, she is having sex with anything else that is married or single. Yes... she seduced even my husband. The only man I was with for 21 yrs. and 17 yrs. of marriage. The man I had 2 kids with that hated skanky girls like this one. Oh.. she played her innocent cards with him. He was introduced to her by her friend who... wanted some whores to entertain her business meeting and called her in to join in... and she lied saying that she actually worked in Realestate. ( I noticed around him she would wear very demure clothing.) Her last husband or is it still current? She lied so much to everyone... gave her a full body haul. Breast implants... you name it. She makes herself look like a little innocent Asian doll.

Apparently she spends her days manipulating her FB posts so that her friends back in Taipei will be jealous of her.

So in order to do that, she chooses which guy will take her out on the most expensive dinner, hotel, or trip and then will post it on her FB page. My husband was an idiot enough to think she was a normal person and was "into" him. In the space of a year, granted it was on and off because she had other men to have sex with and get gifts from, he spent close to \$30,000 on her on \$1,200 a/night hotels and \$500 Michelin dinners. This from a man that thought a \$65 shirt was over the top. We are not rich by any means. I found out later, the girlfriend of the cross dresser found out how much her boyfriend spent on that whore and went ballistic. She said exactly what I said, which is, she bleeds men to death of their finances. She however, has ties to the Taiwanese community here and has been telling people about her. So why is she angry about a past girlfriend? Because this piece of work still keeps in contact with all the men she's slept with for "just incase" sex sessions and "just incase" financial needs if one money bags slips through her grasps. Which accounts for her on and off relationship with my husband. So any who, when I did the cross check of credit card bills, email histories, etc. against her FB posts. Basically the whore would get other dates and sex session inline while at

hotels with other men and many times would go to the same hotels around the bay area with not only her husband, but the many different men she had been with. She has probably been to a good 70% of all the 5 star hotels around the WHOLE of the bay area, wine country, and Las Vegas. She is obsessed with her phone. So you will probably see her around Fremont, Santana Row San Jose, San Francisco, Palo Alto, Mountain View and Las Vegas taking selfies of herself or getting the poor schmuck she is screwing her to take her whoretastic pictures. Mean while how disgusting is this?

Her husband or ex...the Taiwanese Tycoon from Taipei, owns several homes around the Bay area. He demoted her from his mansion to one of his crappier homes in Fremont cause he found out she was sleeping around, but decided he invested enough in her to keep her as his side whore. Anyways, he has a large box of condoms at the house for his open house sex visits, and the whore actually walks around with them in her purse to use with other men!!! She is such an idiot, she thinks she is being coy by not posting pictures with men's faces, but in her "food" pics there are always arms, watches, phones, bellys, shirts, etc. caught and you can tell they are from different men. (At least 6 in just this past 9 months and that is without all her posts... as she will show and hide things all the time) What a disgusting piece of trash. I mean

who does this? She who's father left her mother for another woman, who grew up with the pain of divorce and infidelity actually said to my husband she was fine that he was married and had two kids. She just wanted to have fun! She didn't care that she would destroy a relationship of over 20 yrs, much less 2 other kid's lives. SO SHE COULD HAVE FUN! While posting pictures of herself drappen on beds all around the Bay area, she posts pictures of herself with her daughter.. with locations stamps!!!

Who does that and opens up their FB to public? She should be thrown in jail for endangerment of a minor. So be careful ladies of the Bay area, she doesn't care if the men are married or old, as long as they pay for an expensive dinner and a nice hotel she'll gladly have sex with them because it is "FUN" and she can make her friend back home jealous. Check out her FB page and you'll know what I mean : facebook.com/christine.yang.739 By the way all these pictures are on her public facing page.

This girl named Christine Yang, also known as Christine Hu is a piece of Taiwanese garbage. She is roughly around 36 and has married 2 men both close to if not over 20 yrs. her

senior. She has never worked a day of her life accept the oldest on in the book. (facebook.com/christine.yang.739) Money is her objective so when the first husband was about to call it quits, she got pregnant. Didn't matter, she was such a terrible mother she never got custody of her. Meanwhile she found her next target, a cross-dressing bisexual. He paid for her lifestyle so she put a blind eye to his BS, for 4 years, until she found a super rich old business tycoon from Taipei. She married his old saggy butt for the gifts and expensive trips he takes her on ( which is what she tells younger men she has sex with). While married.. or possibly still married to that guy, she is having sex with anything else that is married or single. Yes... she seduced even my husband. The only man I was with for 21 yrs. and 17 yrs. of marriage. The man I had 2 kids with that hated skanky girls like this one. Oh.. she played her innocent cards with him. He was introduced to her by her friend who... wanted some whores to entertain her business meeting and called her in to join in... and she lied saying that she actually worked in Real Estate. ( I noticed around him she would wear very demure clothing.) Her last husband or is it still current? She lied so much to everyone... gave her a full body haul. Breast implants... you name it. She makes herself look like a little innocent Asian doll. Apparently she spends her days manipulating her FB posts so

that her friends back in Taipei will be jealous of her. So in order to do that, she chooses which guy will take her out on the most expensive dinner, hotel, or trip and then will post it on her FB page. My husband was an idiot enough to think she was a normal person and was "into" him. In the space of a year, granted it was on and off because she had other men to have sex with and get gifts from, he spent close to \$30,000 on her on \$1,200 a/night hotels and \$500 Michelin dinners. This from a man that thought a \$65 shirt was over the top. We are not rich by any means. I found out later, the girlfriend of the cross dresser found out how much her boyfriend spent on that whore and went ballistic. She said exactly what I said, which is, she bleeds men to death of their finances. She however, has ties to the Taiwanese community here and has been telling people about her. So why is she angry about a past girlfriend? Because this piece of work still keeps in contact with all the men she's slept with for "just incase" sex sessions and "just incase" financial needs if one money bags slips through her grasps. Which accounts for her on and off relationship with my husband. So any who, when I did the cross check of credit card bills, email histories, etc. against her FB posts. Basically the whore would get other dates and sex session inline while at hotels with other men and many times would go to the same hotels around the bay

area with not only her husband, but the many different men she had been with. She has probably been to a good 70% of all the 5 star hotels around the WHOLE of the bay area, wine country, and Las Vegas. She is obsessed with her phone. So you will probably see her around Fremont, Santana Row San Jose, San Francisco, Palo Alto, Mountain View and Las Vegas taking selfies of herself or getting the poor schmuck she is screwing her to take her whoretastic pictures. Mean while how disgusting is this? Her husband or ex...the Taiwanese Tycoon from Taipei, owns several homes around the Bay area. He demoted her from his mansion to one of his crappier homes in Fremont cause he found out she was sleeping around, but decided he invested enough in her to keep her as his side whore. Anyways, he has a large box of condoms at the house for his open house sex visits, and the whore actually walks around with them in her purse to use with other men!!! She is such an idiot, she thinks she is being coy by not posting pictures with men's faces, but in her "food" pics there are always arms, watches, phones, bellys, shirts, etc. caught and you can tell they are from different men. (At least 6 in just this past 9 months and that is without all her posts... as she will show and hide things all the time) What a disgusting piece of trash. I mean who does this? She who's father left her mother for another woman, who grew up with the pain of

divorce and infidelity actually said to my husband she was fine that he was married and had two kids. She just wanted to have fun! She didn't care that she would destroy a relationship of over 20 yrs, much less 2 other kid's lives. SO SHE COULD HAVE FUN! While posting pictures of herself drappen on beds all around the Bay area, she posts pictures of herself with her daughter... with locations stamps!!! Who does that and opens up their FB to public? She should be thrown in jail for endangerment of a minor. So be careful ladies of the Bay area, she doesn't care if the men are married or old, as long as they pay for an expensive dinner and a nice hotel she'll gladly have sex with them because it is "FUN" and she can make her friend back home jealous. Check out her FB page and you'll know what I mean : facebook.com/christine.yang.739 By the way all these pictures are on her public facing page.

Good evening, I saw your post regarding background check on Ms Christine Yang on a real estate job. Her goal is to sleep with with men, regardless married or single, and has ruined many families and relationships. She is uneducated, and motivations are
